THE
LAUGHING PINT'S
MENU

OUR PHILOSOPHY

The Laughing Pint is dedicated to serving only the freshest, healthiest and most delicious food. We use the freshest ingredients. We specialize in food that is prepared from scratch daily in our own kitchen. We also offer several vegetarian dishes for those who prefer the meatless cuisine. As the seasons change, we offer local fruits and vegetables. It is our philosophy that any food we serve should be the best we can possibly offer.
